FIRE ALARM INSPECTION AND SERVICE AGREEMENT

National Fire Alarm Code states that reacceptance testing for fire alarm systems shall be conducted on an annual basis to insure continuing proper functioning of control equipment, power supplies, initiating devices, indicating appliances, and other components of a fire alarm system. Many local fire authorities require a service agreement be in place to insure this routine maintenance of fire alarm systems. Entering into this agreement will satisfy these requirements. Details concerning service and reacceptance testing are as follows:

Reacceptance testing will be performed on an annual basis. At such time the customer's inspection is nearing its due date, Life Safety Technologies, LLC in order to schedule fire alarm testing, shall contact an authorized representative of the customer. Testing shall be performed during Life Safety Technologies, LLC normal operating hours. If for any reason testing must be scheduled outside of normal operating hours, overtime rates shall apply.

Life Safety Technologies, LLC is available at any time to perform service. Service requests should be scheduled in advance during normal operating hours to qualify for the basic labor rate. Service requests scheduled outside of normal operating hours will be subject to overtime rates.

Normal operating hours for Life Safety Technologies, LLC field technicians are Monday through Friday, 8:00 a.m. through 4:00 p.m.

Reacceptance testing and service requests scheduled during normal operating hours will be billed at a rate of \$85.00 per hour per technician required. A two-hour minimum will apply.

Reacceptance testing and service requests scheduled outside normal operating hours will be billed at a rate of \$130.00 per hour per technician required. A two-hour minimum will apply.

The rates set forth in this service agreement are fixed for a minimum of one year*. These terms shall remain in effect until written notice of renewal is provided to the customer by Life Safety Technologies, LLC. *Delinquency in accounts on the part of the customer shall render this agreement null and void.

In signing this document I acknowledge my understanding and agreement to the terms therein.
